Mission Statement

As a professional and dedicated team, we will build positive relationships with, and strive to protect, our community as we value and preserve all human life. We will prioritize equally both the physical safety and mental well-being of our staff.

Vision Statement

The Cedar City Police Department is committed to delivering public safety and law enforcement services in a professional and compassionate manner. To accomplish our goals, it is important that we work collectively with our criminal justice partners and community stakeholders.

We will continually look to the future as we create and discover innovative methods and strategies to protect our fellow citizens. It is important that we work tirelessly to ensure the highest quality of life exists in Cedar City for our residents and visitors.

Our core responsibility is to labor each day as we strive to create and sustain a community where all residents feel safe in their homes, businesses, schools, and neighborhoods.

Values Statement

We will accomplish these goals by hiring and promoting talented officers and professional staff, employing the highest standards of performance, best practices in policing, and accountability.

Using current and developing technologies, we will continually engage in research and innovation. Existing and future technology will enhance our skilled staff in the investigation of crime and the analysis of criminal activity trends. We will continually strive to manage our resources efficiently and effectively as we provide

the highest level of service to our fellow citizens.

We will strategically focus on decreasing criminal and civil disorder, prevent crime from occurring, engage in targeted criminal and traffic enforcement, ensure offender accountability, develop positive relationships with our community partners and community stakeholders; and develop and support our staff to provide the best possible service to our community.

Everything we do, collectively or individually, will be done in accordance with our core values.

CORE Values

Trust – To further build and sustain this precious trust with our community

Ethical – in the execution of our duties and our interaction with all citizens

Proactive – in our daily approach to provide the highest quality of service

Equitable – in our dealings with citizens and each other

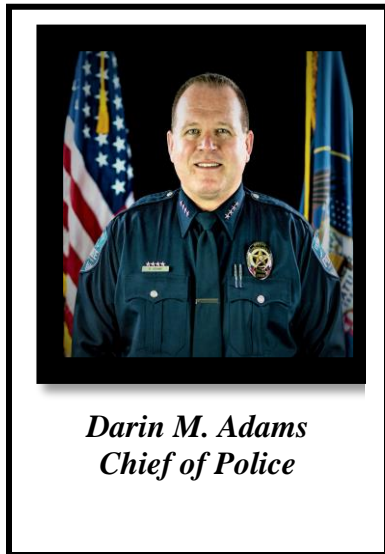

Integrity – above all as we labor passionately in our chosen profession

Compassion – in our enforcement of laws and our dealings with all citizens

Dedication – to the citizens we serve and to one another

Message from the Chief

It is my pleasure to present this 2022 Annual Report to give a statistical and informative review of the police department's performance, efforts, and accomplishments. As the Chief of the Cedar City Police Department, it is my honor and privilege to serve the residents of Cedar City and to lead the men and women of our department. You can be extremely proud, as I am, of the nearly 50 members of our Police Department. They, along with our staff of volunteers, strive daily to live up to our mission, vision, and values statements and are one of the most professional and well-respected police forces in our State. Each employee makes an important and valuable contribution to our delivery of police services.

Our sworn officers and civilian staff work hard to provide a safe and secure environment for you to live, work, and recreate.

We appreciate the overwhelming community support we have received this past year. It has been a challenging year for law enforcement. It is our earnest desire to protect and serve and provide the highest quality public safety possible. Along with growth comes an increase in crime. Our staff has done well in working hard to keep crime low in many categories, but we cannot take all the credit. Our fellow neighbors and citizens are partners with us in this effort and we owe much of the success to you. We are experiencing calls that increasingly threaten officer and citizen safety. This takes its toll on our officers and staff, and we are working to ensure they are well cared for, both physically and mentally.

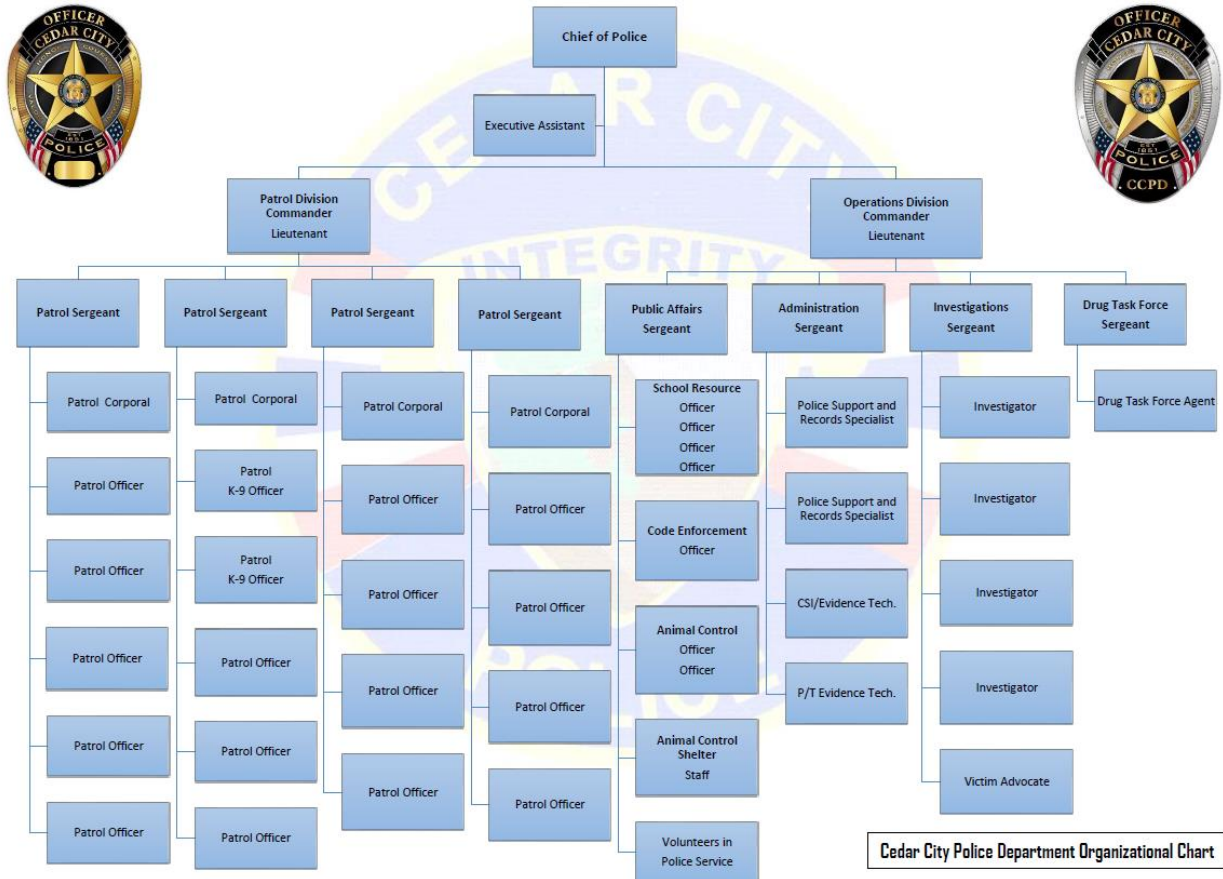

It is important to note that our reporting methods have recently changed from Uniform Crime Reporting (UCR) to National Incident-Based Incident Reporting (NIBRS). This reporting method captures detailed data and, moving forward, will provide a more comprehensive picture into the crime that is occurring within our community.

I am confident the community is experiencing a safe, enjoyable quality of life. Having said that, please accept this as my invitation to share with the Cedar City Police Department your experience, observations, and perceptions. The department would sincerely appreciate your feedback.

Darin M. Adams

Chief of Police

Cedar City Police Department Organizational Structure

The Cedar City Police Department serves a population of approximately 39,000 residents. Cedar City is recognized nationally as a micropolitan area, serving a population of over 60,000 residents (population of Iron County). It is also a regional shopping area serving a larger population from surrounding counties and eastern Nevada. This greatly increases the daytime and evening population, effecting traffic flow issues (violations, accidents, driving under the influence, etc.), property crimes (thefts shoplifting, car burglaries, etc.) and crimes against persons (assaults, disorderly conduct, robberies, etc.) This results in a greater demand for police services. We are impacted more and more by the increasing number of university students, tourists, and visitors who participate in the increasing number of events in “Festival City, USA.”

It is important that our residents, tourists, and other visitors feel safe and secure, so they will continue to visit and shop in our community. Our calls for service have become more challenging and the type of crimes such as cybercrime involving frauds, identity theft, cyber enticement and child pornography are more frequent and complex and take much longer to investigate. This more complex demand for service affects response times and the ability to accomplish directed patrol activities such as, traffic enforcement, crime suppression, and problem-solving interaction with the public. We consistently evaluate our level of service and determine that a minimum of three patrol officers are required on each shift, except for busier days and times. Four officers are required Sunday through Wednesday between 2 PM and midnight. Five officers are required Wednesday through Saturday between 2 PM and midnight. This is based on the number of calls for service, the type of calls for service because some require a minimum of two officers to investigate, the geographic size of the city, response time, and availability of the officers for proactive patrol.

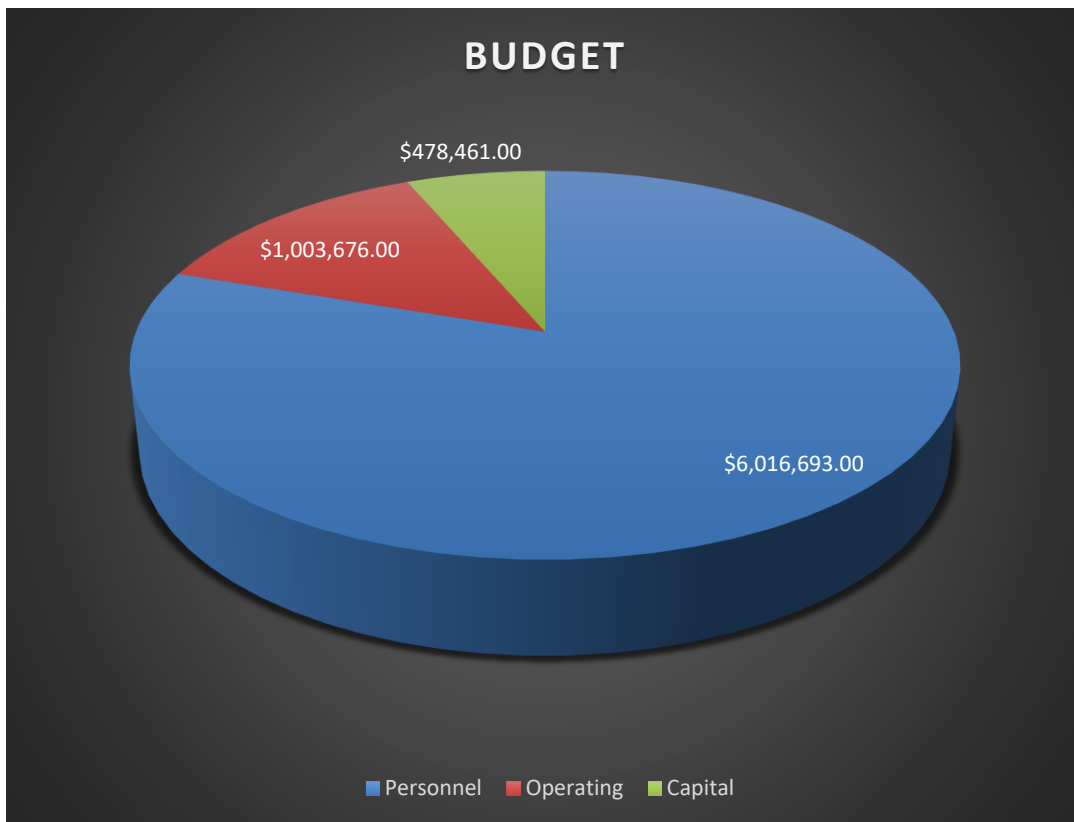

PAID OVERTIME HOURS

<u>Year</u>	<u>Number of Hours</u>
2014	5,889
2015	5,232
2016	5,104
2017	4,570
2018	4,317
2019	3,864
2020	3,343
2021	3,895
2022	4,022

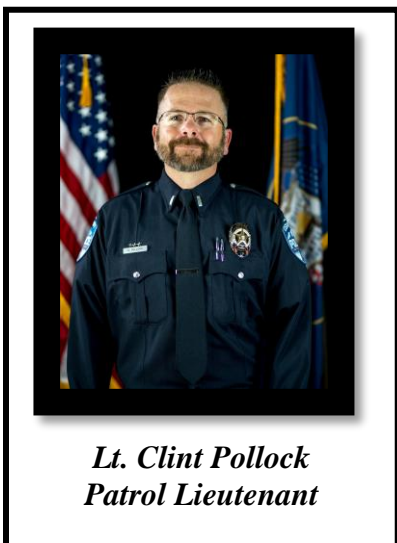

As you can see from above, we have tried to make a concerted effort to keep overtime spending down. Although, there are circumstances that are out of our control when it comes to overtime spending, there are elements we can control. Last year, we observed an increase of 3.2% in overtime.

Police/Animal Control Department Budget

The department budget for fiscal year 2022/2023 was \$7,498,830. We have broken it out into three areas: 1) Personnel costs that include salary, benefits such as retirement, health and unemployment insurance, and overtime costs; 2) Operating expenses that include training costs, vehicle maintenance to include fuel and tire costs, uniforms, dispatch contract fee, computer and radio maintenance along with associated connectivity costs, legal claims and other day-to-day operating expenditures; 3) Capital expenditures are the larger equipment purchases such as vehicles and associated equipment, laptop computers for mobile dispatching, Tasers, winter coats, duty gear to include holsters and badges, and handheld radios. The following chart shows how our budget is allocated.

Patrol Division

*Lt. Clint Pollock
Patrol Lieutenant*

The patrol lieutenant administers the patrol division. He has four patrol sergeants under his supervision who command the patrol squads. The patrol officers provide coverage 24 hours a day seven days a week including all holidays. The patrol division consists of 26 officers including the supervisors. The officers are scheduled according to a day / hour breakdown of all police activity to provide the optimum number of officers during the busiest times. The individuals assigned to the patrol division are the most visible members of the department, providing safety and security to the residents of Cedar City. They respond to a variety of calls from parking problems to homicides. When not answering calls for service, officers are responsible for self-initiated activity in enforcing our criminal and traffic laws or preventing crime through their interaction with the public.

In addition to their regular assigned patrol shifts, officers have other off-duty assignments in which they are compensated with overtime funds. These may include: attending court and training; covering shifts for officers who are sick or on vacation; special assignments such as working school sporting events, city sponsored events such as the many parades and festivals, directed traffic enforcement such as driving under the influence and saturation patrols and other traffic enforcement shifts; and, in-progress major crimes such as barricaded subjects, hostage situations and robberies; respond as a member of the special weapons and tactics team (SWAT) or as a K-9 officer.

SWAT

The department has eight officers assigned to the SWAT team along with officers from Parowan Police Department, Enoch City Police Department, and the Iron County Sheriff's Office. The purpose of SWAT is to provide protection, support, and rescue; enhancing safety for officers and the community. SWAT is designed to respond to high risk situations in efforts to increase the likelihood of safely resolving critical incidents. SWAT trains twice a month with a primary focus on weapons, movement, decision-making, and fitness. Periodic firearms and fitness qualifications are included in training.

Canine

The Department K9 Unit operates within the patrol division. We have two dogs, Snitch, a 2-year-old Belgian Malinois and Max, a 7 ½ - year old Belgian Malinois. The dogs and handlers have extensive training and are certified in narcotic detection, patrol / apprehension, evidence detection.

*Officer Jason Hottell
K9 Snitch*

*Officer Tyrell Crofts
K9 Max*

Operations Division

The operations division is administered by the operations lieutenant. He has four sergeants under his supervision who command the investigations division, public affairs office, administration, and the Iron/Garfield/Beaver Drug Task Force. The operations lieutenant oversees the administrative sergeant, who is responsible for the training and professional standards of the officers. Each officer is mandated to have a minimum of 40 hours training annually to maintain their certification. As the person responsible for the professional standards of the department, he oversees all pre-employment background investigations ensuring that persons joining the Department meet State and Federal standards as well as our own employment qualifications.

One of the most important tasks assigned to the operations lieutenant is to ensure that the highest level of professionalism and professional standards are carried out by members of the Cedar City Police Department. That endeavor is accomplished through continuous audits of personnel performances through internal processes and investigations into citizen complaints (internal affairs investigations) with employees of the department.

Investigations

Investigations has five detectives assigned to it who are responsible to respond to all major or more serious crime scenes and conduct the more time consuming and in-depth investigations that the patrol division is not designed to handle due to their nature of needing to be available for in-progress calls. The detectives also have additional training and experience to make them better qualified to investigate in greater detail. They routinely carry an active case load of 18 to 30 cases. These are everything from theft to homicide. These cases must consistently be juggled as new, more urgent cases come in, requiring some to remain active for months. This causes frustration for the detectives but even more so for the victims of these crimes. We have witnessed an increase in the complexity of the crimes being reported as more elaborate scams and fraud cases are being reported. These require new skills and longer periods of time to investigate. The detectives are called to respond all hours of the day and night to these calls which results in many callouts a year.

Sgt. Chet Smith Cpl. Matt Topham Cpl. Jake Hoyt Cpl. Justin Chappell Cpl. Bryan Moore

Narcotic Task Force

The narcotics task force is comprised of our agent and agents assigned from the Iron County Sheriff’s office, Beaver County Sheriff’s office, and State of Utah Bureau of Criminal Investigations. These narcotic officers investigate illegal drug use, trafficking and cultivation throughout Iron County, Garfield County, Beaver County and all cities and towns in these Counties. Their mission is to significantly diminish the availability and use of illegal drugs and controlled substances and to apprehend the responsible offenders, thereby increasing public safety. Total cases and total arrests **increased** in 2022 by **64%** from 2021.

Public Affairs

The Public Affairs Division is comprised of one Sergeant, two code enforcement officers, four school resource officers, two animal control officers, animal shelter staff, school crossing guards, and the Volunteer in Police Services (VIPS) program. The goal of the public affairs division is to identify and address community issues, concerns, problems, and crime trends which are quality of life issues. Public Affairs officers work with the patrol division to address ongoing problems in neighborhoods and business areas that require a repeated response. The staff utilize their training and experience to research and analyze problems and direct a variety of resources to address or eliminate the problem. They also are heavily involved in the organization and participation of community and civic programs to better educate and develop stronger relationships between us and the community we serve. A summary highlighting some of these programs are:

Sgt. Justin Ludlow

- We participate in Red Ribbon week which is a week full of activities for our local schools where students are educated and see demonstrations on the harmful effects of drugs. This includes K-9 demonstrations in elementary/secondary schools.
- We raised over \$12,000 for the annual “Shop with a Cop” event. This event allowed public safety personnel to continue our Shop with a Cop program providing the opportunity for children to have a Christmas.
- We continue to teach the D.A.R.E. (*Keepin’ It Real*) program in our elementary schools.
- We support the Fire Department with their life safety house every April.
- We’re involved in all the parades with traffic diversions and support from our VIPS to ensure a safe and fun atmosphere at these events.
- We participated in the Downtown lighting ceremony on Main St. where we assisted with traffic closures for Santa to fly in and the lighting of main street for our community.
- We participated in Holiday Tree Jubilee to raise money for local charities.
- We participated in Slow Rolls for our community to come out and ride a bike for fun or exercise and mingle.
- We assisted in the Belgian Waffle & Fire Road bicycle races with traffic control and road closures.
- We assisted in the Paiute Spirit run with traffic control.
- We assisted with the high schools and college’s homecomings to engage with our local students.
- We continue to teach law enforcement classes in each of our high schools to build relationships with our youth and teach them about a career in law enforcement.

School Resource

The school resource officers (SRO) work through a memorandum of understanding with the Iron County School District to provide the school district with four SROs. Two SROs are assigned to each of the two high schools and two SROs are assigned to the two middle schools and K-5 grade schools as needed. The SRO is a sworn officer assigned to a school on a long-term basis who has been trained to perform three major roles:

- First and foremost, they are **law enforcement officers** whose primary purpose is to “keep the peace” in their schools so that students can learn, and teachers can teach.
- Secondly, they are **law-related counselors** who provide guidance on law-related issues to students and act as a link to support services both inside and outside the school environment.
- Thirdly, they are **law-related education teachers** who provide schools with an additional educational resource by sharing their expertise in the classroom.

Beyond these identified roles and, perhaps most importantly, School Resource Officers are positive role models for many students who are not exposed to such role models in today’s society. Their presence in the schools sends a strong message that violence is not acceptable.

The Iron County School District and Cedar City Police Department work collaboratively to carry out the School Resource Officer Program. Daily, the program depends on the working relationships which exist between the School Resource Officers and School Principals.

By sharing a common vision that schools must be safe and secure for learning to take place, the School Resource Officers and Principals become members of a team united in making sure that learning environments are free of fear and conducive to learning.

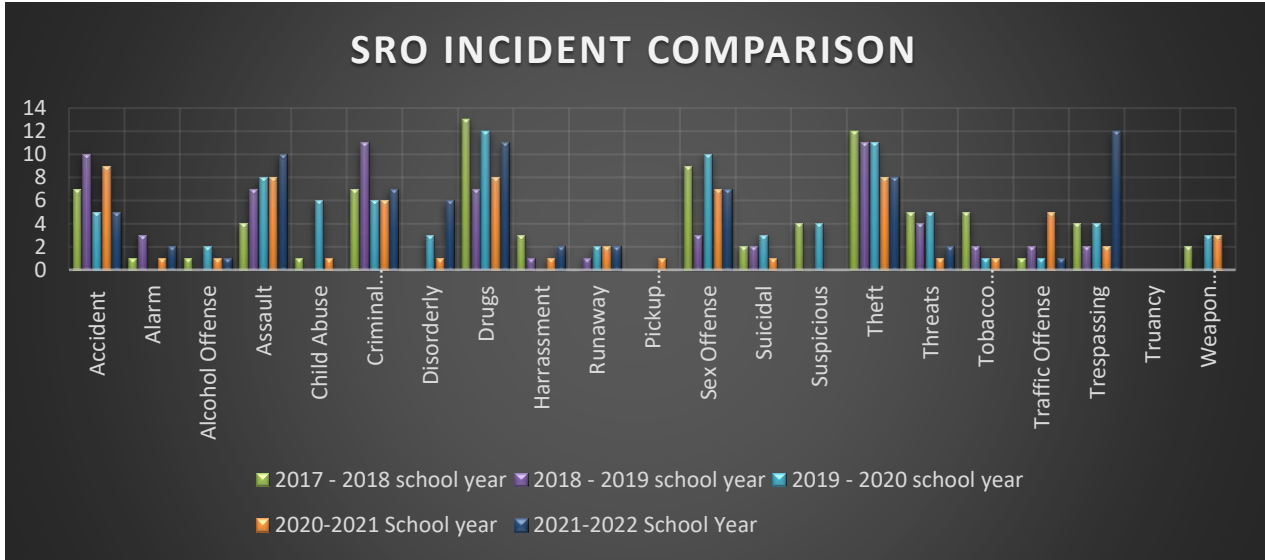

*Officer Heather Daynes
Cedar High School*

*Officer Matt Carpenter
Canyon View High School*

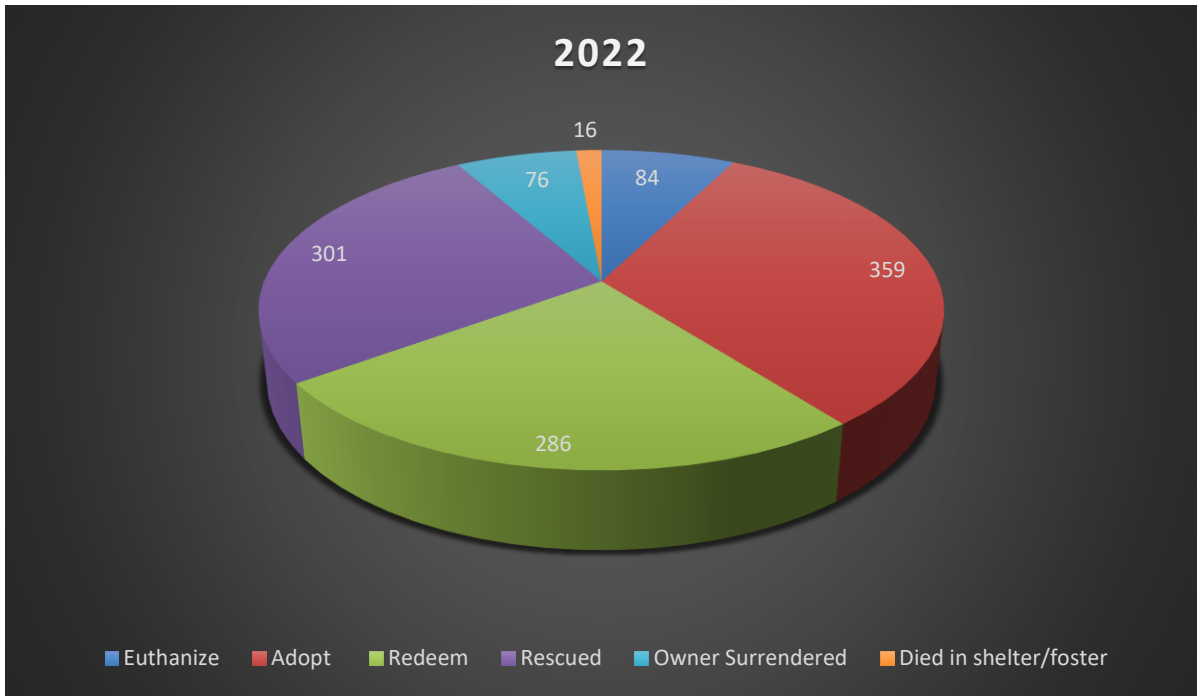

*Officer Stenson Bergstrom
Canyon View Middle School*

*Officer Patrick McCoy
Cedar Middle School*

Animal Control

The animal control officers, and shelter staff work diligently to serve the public and animals of Cedar City in a professional and efficient manner with kindness and compassion. The staff is dedicated to providing education, protection, and humane treatment of animals to ensure a safe and healthy community and to promote the benefits of responsible pet ownership. From **2021 to 2022, we received 9.7% more animals in the Shelter, we euthanized 9% more, adopted 17.7% more, owners redeemed 10.8% more, and animals were rescued 15.7% more.**

Officer Evan Pettit
Animal Control Officer

Brittany McCabe
Animal Shelter Manager

Officer Tyler Coons
Animal Control Officer

CEDAR CITY
ANIMAL
CONTROL

VIPS

Our Volunteers in Police Service (VIPS) help in decreasing the load for code enforcement and patrol officers to allow them to deal with more serious and pressing matters. It also gives residents a chance to see how we function and to invest in their community by making Cedar City a quality place to live and raise a family. In 2022 we had 12 volunteers. They volunteered a total of 975 hours. Our VIPS have been assigned the primary responsibility for traffic control at the City's many parades, festivals and unique events thus relieving many of the overtime hours that would be paid for police officers and street department employees. In addition to the traffic control for the special events, the VIPS contribute their time performing the following tasks:

- Conduct security/vacation checks on homes when residents leave town and request additional patrol on their residence.
- Enforce violations of handicap parking.
- Do all the fingerprinting of residents for civil reasons such as adoptions, being bonded, background checks, etc.
- They use the Department's power washer to assist property owners in removing the graffiti – including the city – when graffiti is in the parks and on other city property.
- Conduct tours of the Police Department for various groups.
- Assist the Code Enforcement Officers with removing yard sale signs off public utility poles, contacting landowners who are in violation to clean up their property, and tagging abandoned cars in the city.
- Assist with traffic control on traffic accidents as well as securing the outer perimeter area on crime scenes and volatile cases.

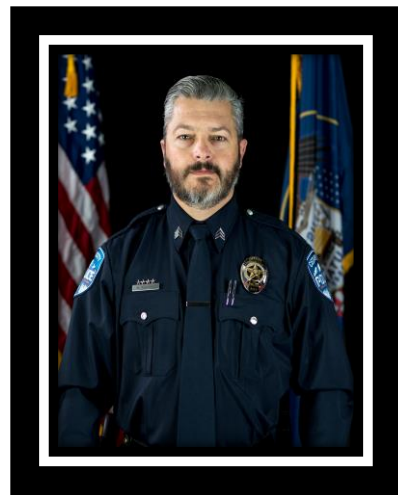

Administration Division

The administration division is comprised of animal control, crime scene investigator / evidence technician, executive assistant, and police support and records specialists. In addition to supervising these divisions, the administration division sergeant is responsible for reviewing all case reports for accuracy and completeness on a daily basis. The sergeant oversees training for every employee within the police department. He serves as the department's webmaster and utilizes department databases and computer programs to produce reports for detectives and patrol for selective and targeted enforcement. He provides informational reports and statistical data to the Chief of Police as requested.

Exec. Asst. Cassie Edwards

Sgt. Nate Williams

Code Enforcement

Code Enforcement Officers are tasked to identify and solve a variety of quality-of-life issues categorized as nuisances and other incivilities of a community concern. They respond to and seek solutions for nuisance complaints in violation of the City’s nuisance ordinance through abatement or other appropriate action.

Examples of nuisance violations are drug houses, party houses, fire hazards, noxious emanations, noxious weeds, refuse, stagnant water, accumulation of junk, attractive nuisances, overgrown vegetation, improper storage, graffiti, and improper parking.

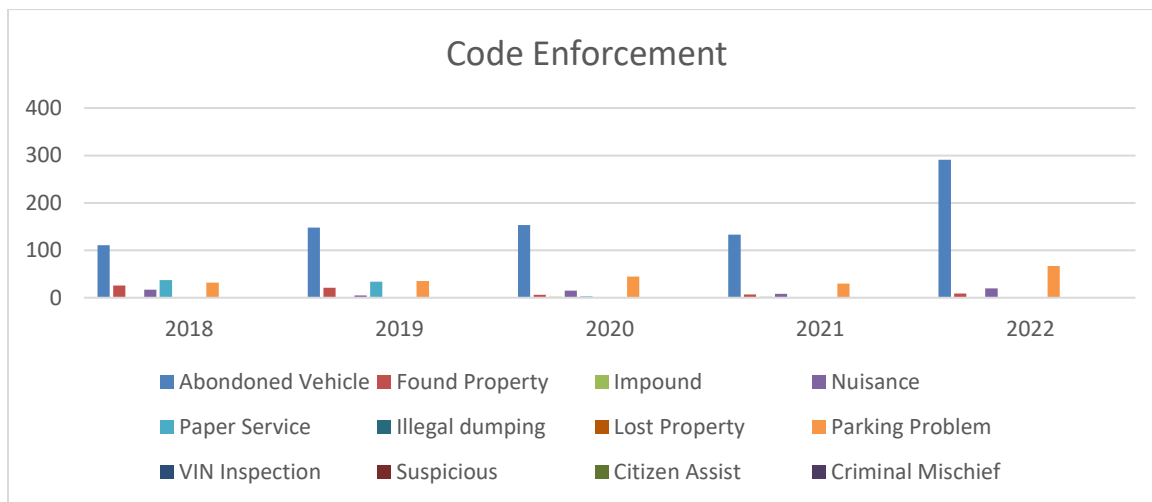

They also perform parking enforcement duties along the public streets and parking lots enforcing City ordinance. They investigate minor crimes and other calls for service, direct traffic at times of emergency or congestion, assist in fingerprinting, assist in crossing guard duties, and serve all summons and subpoenas.

Officer Kirt Carpenter

Officer Frank Vasquez

Crime Scene Investigator / Evidence Technician

The mission of the Crime Scene Investigator (CSI) / Evidence Technician is to respond to crime scenes and document incidents through photography, videography, scale drawings, written reports, and the collection of physical evidence. This evidence includes but is not limited to weapons of crime, fingerprints, trace evidence such as hairs or fibers and bodily fluids. The unit sends physical evidence to the State of Utah Bureau of Criminal Identification Laboratory for testing and works closely with the Iron County and Cedar City Attorney's offices during the criminal prosecution process. The CSI / Evidence Tech is also responsible for maintaining the integrity of evidence by properly packaging, preserving, securely storing, and tracking all evidence which is collected by members of the department.

CSI Eric Grimm

Records/Police Support

The Records Unit is responsible for all aspects of report processing and document control within the Police Department. The Police Support and Records Specialists manage criminal records, connect community members with the right employee to process a specific issue and provide support to our officers. These employees make computer entries into local, state, and federal law enforcement systems. They work closely with the City and County Attorney's Offices, Parole and Probation, Division of Family Services, and the courts, along with other countywide and State agencies. They also process warrants, process all requests for information and copies of reports, store, purge and archive files as required by law.

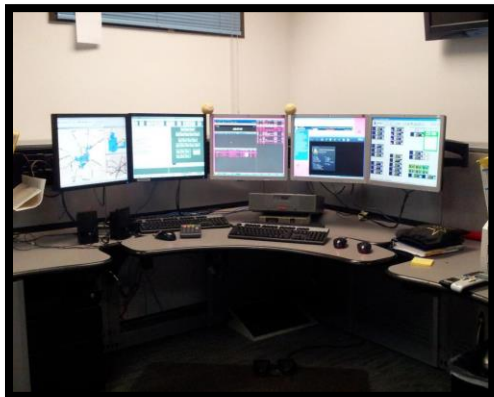

Lori Fillerup
Police Support/Records Specialist

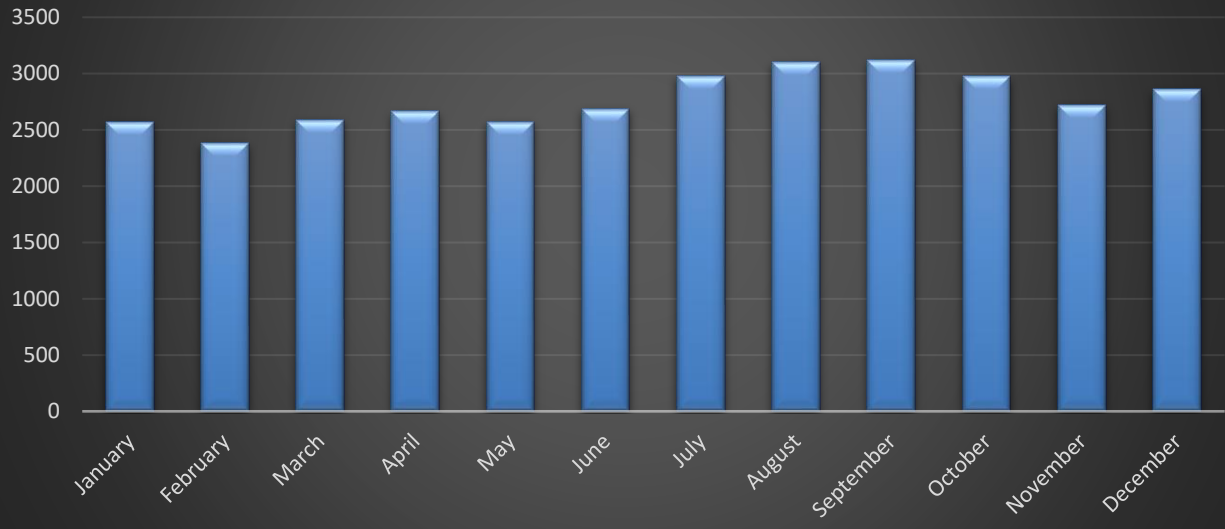

Brooke Hathaway
Police Support/Records Specialist

Communications Division

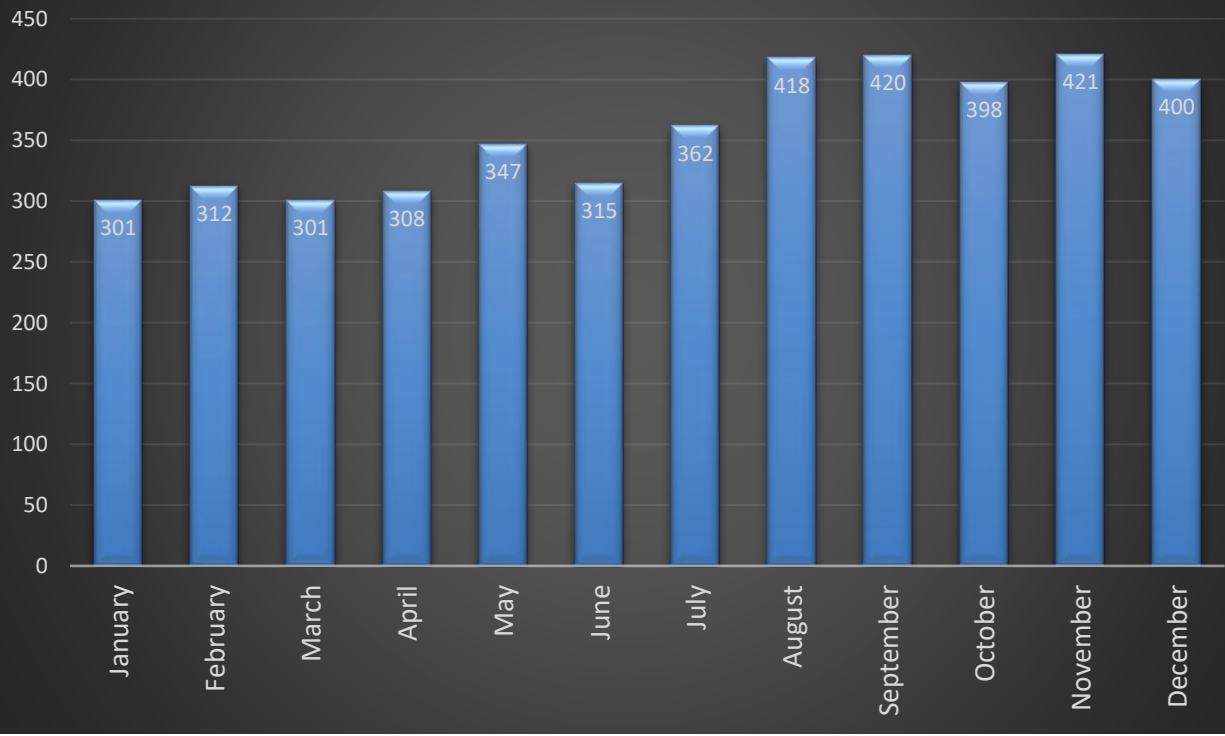

Our department contracts with the Utah Department of Public Safety. They dispatch for all agencies in Iron County as well as State agencies in Iron, Washington, Beaver and Millard counties. The mission of the 9-1-1 dispatchers is to provide both emergency and non-emergency services for our community in a professional and expedient manner. In 2020, Cedar Dispatch received **97,417** calls for service in the communications center of which **33,198** or **34.1** percent of these were for police response to residents of Cedar City. This is the total number of calls that were answered which included all emergency, non-emergency, and professional or business-related inquiries.

CCPD Calls for Service through Cedar Communications

Busiest Month by Case Numbers Pulled

Victim Advocate Service

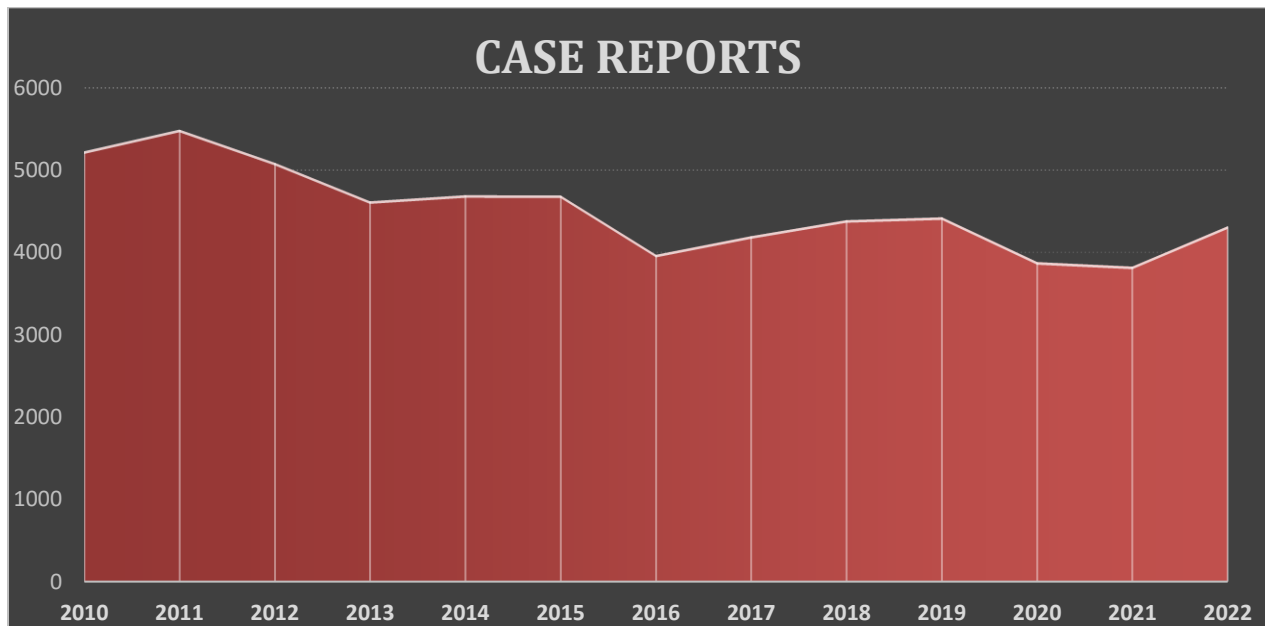

We house two full-time victim advocates. These positions are funded through a VOCA (Victims of Crime Act) grant and administered through Iron County. Our Advocates work with victims who have been adversely affected by crime. Our advocates met many victims and served 488 victims in 2022. Of all the services provided in Iron County, 74% of services were provided to victims in Cedar City.

Crime and Incident Data and Charts Summary Analysis

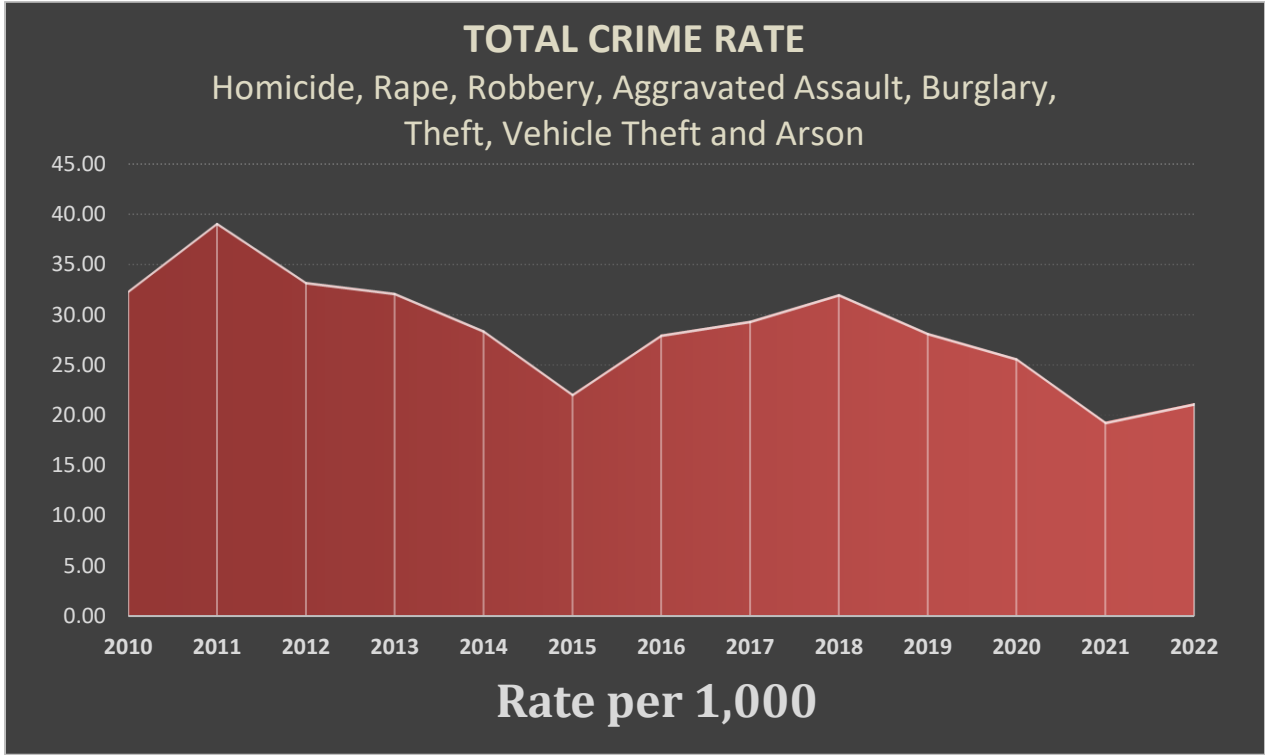

- UCR Part 1 crimes (homicide, rape, robbery, aggravated assault, burglary, theft, motor vehicle theft, and arson) **increased** from 720 in 2021 to 806 in 2022. This is an **11.9 percent increase**.
- UCR Violent Crimes (homicide, rape, robbery, aggravated assault) **decreased** from 42 cases in 2021 to 27 cases in 2022. This is a **55 percent decrease**. There were no homicides in 2022. Reported rapes **decreased by 50 percent** from 22 in 2021 to 11 in 2022, **robberies decreased by 50 percent** from 3 in 2021 to 2 in 2022, and **aggravated assaults decreased by 28.5 percent** from 18 in 2021 to 14 in 2022.
- Property crimes (burglary, theft, motor vehicle theft, and arson) **increased** from 440 in 2021 to 534 in 2022 for a **21.2 percent increase**. Burglary **decreased by 1.8 percent** from 54 in 2021 to 53 in 2022. Theft **increased by 22.8 percent**, motor vehicle theft **increased by 50 percent** and there were **two** reported arson cases in 2021 compared to **one** reported in 2022 for a **50 percent decrease**.
- From 2021 to 2022, domestic violence **increased by 7.2 percent**, criminal mischief **decreased by 6.4 percent**, alcohol offenses **increased by 21 percent**, driving under the influence **decreased by 20 percent**, public intoxication **decreased by 28.1 percent**, and disorderly conduct **decreased by 39.2 percent**.
- Officers issued **2,724 verbal warnings and 501 written warnings** for traffic offenses in 2022. This is an overall **increase of 179 percent** from 2021.
- Officers issued **2,390 citations** for traffic offenses in 2022. This is an overall **increase of 37 percent** from 2021.
- There was one fatal traffic accident in 2022. Our total accidents (property damage, injury, hit and run and non-reportable) for 2022 **decreased** from 2021 **by 1.4 percent**.

- In 2020 our Code Enforcement officer investigated 387 incidents in which a written case was generated. Many code enforcement calls are minor in nature, completed at the time of the call and do not generate a written case. There was an increase in abandoned vehicles, nuisance complaints and parking problems.
- Our Animal Control division impounded 1,071 animals in 2022, compared to 976 in 2021. In 2022, 946 or 86.8 percent, of the animals were adopted, transferred to a rescue group, or redeemed by the owner.

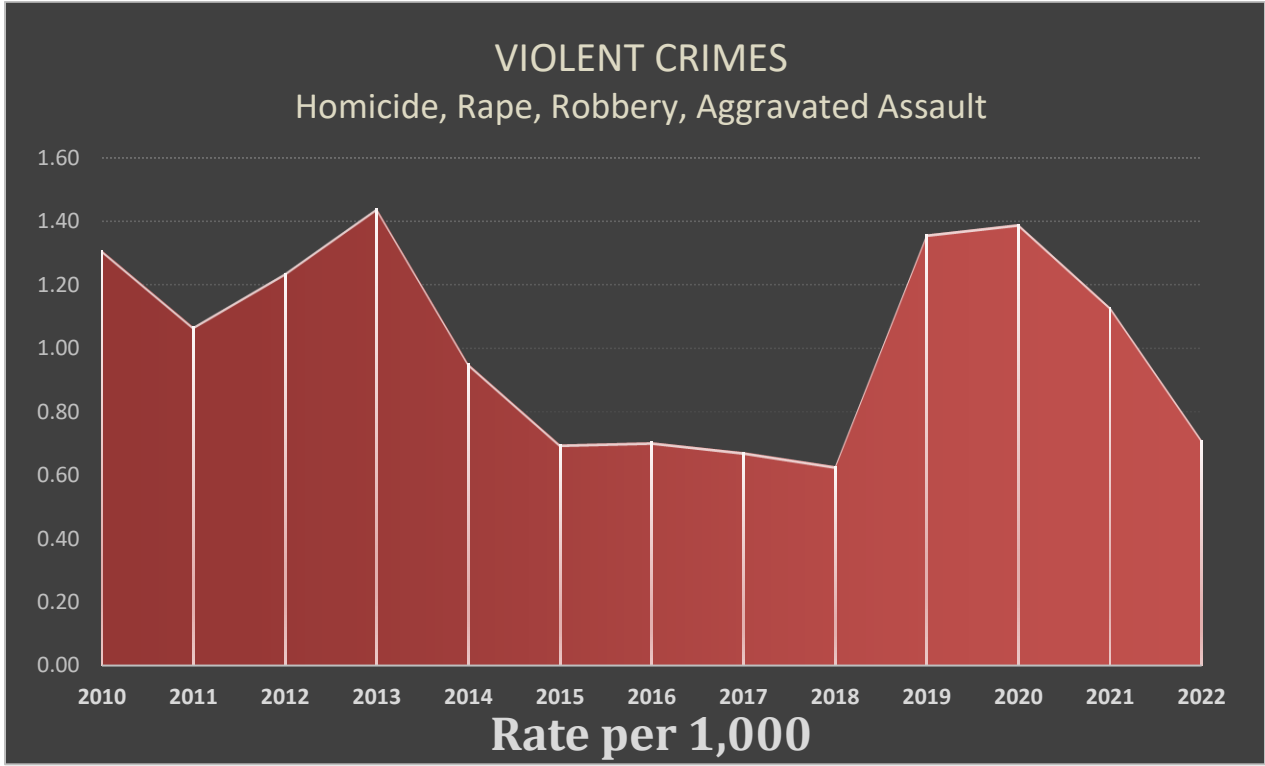

Statistical data alone does not provide a comprehensive measure of the success achieved by our police department. Based on the many cards, letters, and personal comments the police department has received throughout 2022, praising the department and the service rendered by our employees, we are confident the community is experiencing a safe, enjoyable quality of life.

WRITTEN CITATIONS

TRAFFIC WARNINGS

Law Enforcement Oath of Honor

*On my honor, I will never
Betray my integrity, my character,
Or the public trust.*

*I will always have the courage to hold
myself and others accountable for our actions.*

*I will always maintain the highest ethical
standards and uphold the values of my
community, and the agency I serve.*
